

LETTER OF RECOMMENDATION

To
whomsoever it may concern,

It brings me great pleasure to write this letter to recommend **Ms.Name8 Surname8** for the post of **Profile8** at NoQs Digital for the past 8 month . She has been a part of quite a few complex projects and played a pivotal role.

Name8 has grasped the modern technologies very quickly that most software companies use nowadays including us. I can vouch that she is an excellent professional and rewarding to work with. She is a great team worker and on many occasions and at difficult times, she has also shown her amazing leadership qualities.

I believe having an internee/employee of the calibre of **Name8** will add great value to the company and play important role in achieving the upcoming goals of the company.

Warm Regards,

Adit Agarwal
